

The "Liberated" Feminist

The Tradwife

Wears tons of makeup because of her low self esteem

Got a crappy flower tattoo when she was 17

Sleeps around to improve her self esteem but it only makes her feel worse

Chubby from her diet of fast food and microwave meals

Aborted her black baby last year

Claims she's bisexual but has only dated men

Damaged hair from over dying

Uses fake tanner so dark she looks mexican

Wears clothing that barely fits her

Is "only attracted to black men"

Works a minimum wage job because her gender studies degree didn't get her anywhere.

Loves her natural face and only wears light makeup

Her husband works to support her staying at home and raising the kids

In her 20s but is already married with kids

Loves her family, race, and country in that order

Natural hair with highlights from the sun

Natural tan from her outdoor lifestyle

Wears modest and feminine clothing

Slim figure from her healthy homemade meals and active lifestyle

Homeschools her kids so they aren't taught progress bs in school

Knowledgeable about her European roots
